---

## PROFESSIONAL EXPERIENCE

### Web developer - Altois

May 2023 - Present

- Worked on technologies such as HTML5, CSS, JavaScript, React for developing various websites.
- Involved in technical tasks for creating several websites such as development, enhancement and maintenance of the sites.
- Performed quality assurance tests on various sites to ensure cross browser compatibility and mobile responsiveness.
- Worked with version control systems like Git to manage code and collaborate with other developers.
- Collaborated with back-end developers to ensure seamless integration of front-end and back-end functionality.
- Implemented best practices for SEO and web analytics by implementing lazy loading of images, minification of scripts, relying on caching etc to reduce the load time.

### FRONTEND WEB INTERN - VS COMPANY PVT LTD

Jan 2023 - March 2023
